

REMARKS

Changes are made to the specification. New drawing Figures 3 and 4 are submitted herewith. The present Amendment supplements made to the specification and drawings submitted with earlier amendment filed February 28, 2008 in response to the pending office action.

None of the changes made herewith to the specification and claims introduces any new matter into the application as filed.

For reasons set forth in the earlier-filed amendment, all presently-pending claims define patentable subject matter. Prompt allowance and issuance of all pending claims are therefore earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Elliott N. Kramsky", is written over the printed name.
